

Health Update for AHT Flat-Coated Retriever DNA Bank

For each of your dogs whose DNA is banked at the AHT, fill out and submit one of these forms whenever there is a significant change in your dog's health. If your dog remains healthy, submit a form when the dog turns 8 years of age and once a year thereafter.

Name(s) of owner(s) _____

Owner's E-mail address _____

Dog's registered name _____

Is the dog still living? _____

Is the dog still healthy? _____

If the dog is deceased, give date and cause of death.

Briefly describe any significant health problems and give approximate dates.

Has your dog been diagnosed with cancer? If so, what kind?

If your dog has been diagnosed with cancer, please submit a pathology report.
